Partner David A. Neiman named to Law Bulletin Media's 40 Under Forty List

October 5, 2022

Romanucci & Blandin, LLC a national personal injury firm primarily based in Chicago, is pleased to announce that Partner David A. Neiman has been named to Law Bulletin Media's 40 Under Forty list of Illinois Attorneys to Watch in 2022. The honorees were announced in late September and the list will be available in print this month. Last year, Law Bulletin received more than 1,500 nominations for attorneys throughout Illinois for this list.

Neiman is recognized for his dedication to justice exhibited in his leadership on Mass Tort and Class Action cases throughout the country. His work representing victims of Ethiopian Airlines Flight 302 and the residents in and around Rockton, Illinois, who lost the use of their property following a massive industrial fire at the Chemtool Incorporated chemical plant, are but two of the recent high-profile cases where David was appointed to leadership positions helping to steer the litigation strategy for the cases. Most recently, he has become deeply involved in the litigation against Smith & Wesson and others on behalf of more than 40 people injured or who lost loved ones in the Highland Park Fourth of July shooting.

In addition to his commitment to clients, David has also devoted extensive time to his community. As the former Chairman for the Board of the North Suburban Legal Aid Clinic, David expanded five-fold the number of communities serviced by the clinic, ensuring increased access for thousands to essential legal services in the fields of immigration, domestic violence, and landlord-and-tenant issues. Additionally, David has spent years on the Audit and Finance committee of Lambs Farm, helping provide vocational and residential services to adults with developmental disabilities.

"We are proud of David Neiman and his dedication to justice for those involved in large-scale tragedies and cases of negligence, as well as for his commitment to our community. His recognition on the 40 Under Forty list is well-deserved," stated Romanucci & Blandin Managing and Senior Partner Hon. Gina A. DeBoni.
