CANCER MISDIAGNOSES LAWYERS | ROMANUCCI & BLANDIN

If a medical professional has failed to properly diagnose cancer for you or a loved one, or gave an incorrect diagnosis that resulted in medical complications, serious injuries or wrongful death, you may be eligible for a cancer misdiagnosis claim.

Your cancer misdiagnosis claim

With headquarters in Chicago, Romanucci & Blandin approaches a cancer misdiagnosis or delayed cancer diagnosis action as a way to provide monetary compensation and hold a culpable medical professional or institution financially accountable and responsible for the economic, physical and emotional damages that have occurred.

Our law firm has a team of attorneys and staff who have years of experience with cancer misdiagnosis litigation. Our medical malpractice team includes partners who guide the process and share their deep knowledge of these types of lawsuits. Each client and each situation is different, and your claim is treated with great care and respect as the team investigates what happened and determines the best path to justice for you.

At Romanucci & Blandin, our cancer misdiagnosis attorneys research the most up-to-date wrongful death laws and hire trained and experienced medical malpractice experts to work as expert witnesses and consultants on your cases. We will evaluate your injury, claim and research the relevant statute of limitations applicable to your case.

We know exactly what to do to litigate your cancer misdiagnosis case. We will obtain all necessary medical records, interview witnesses, and prepare thoroughly and meticulously for your day in court. Ultimately, our aim is to obtain the maximum compensation possible so that you and your family can move on with your life.

Our results for clients in cancer misdiagnosis claims

The results we have achieved in cancer misdiagnoses cases are a testament to our team's dedication to clients. For example, we are proud to have secured \$12.3 million for the family of woman who did not have her breast cancer diagnosed in a timely manner.

Our results speak for themselves. Our team knows how the system works, how insurance companies and hospitals operate, and what judges, juries or mediators need to see to understand your claim.
