EMERGENCY ROOM ERROR LAWYERS | ROMANUCCI & BLANDIN

Emergency room error occurs when mistakes are made by medical professionals in an emergency room or urgent care setting that lead to serious injury or death. Negligence, errors or oversights by doctors, nurses, surgeons or anesthesiologists can result in a medical malpractice or wrongful death suit.

Your emergency room error claim

With headquarters in Chicago, Romanucci & Blandin approaches an emergency room error action as a way to provide monetary compensation and hold a culpable medical professional or institution financially accountable and responsible for the economic, physical and emotional damages that have occurred.

Our law firm has a team of attorneys and staff who have years of experience with emergency room error litigation. Our medical malpractice team includes partners who guide the process and share their deep knowledge of these types of lawsuits. Each client and each situation is different, and your claim is treated with great care and respect as the team investigates what happened and determines the best path to justice for you.

At Romanucci & Blandin, our emergency room error attorneys research the most up-to-date wrongful death laws and hire trained and experienced medical malpractice experts to work as expert witnesses and consultants on your cases. We will evaluate your injury, claim and research the relevant statute of limitations applicable to your case. Whether it is to review medical bills, medical malpractice laws, standard of care and other medical negligence of hospitals, physicians and health care providers, we work to locate and utilize the best medical experts and expert witnesses across the country who are experienced in all the relevant state laws.

We know exactly what to do to litigate your emergency room error case. We will obtain all necessary medical records, interview witnesses, and prepare thoroughly and meticulously for your day in court. Ultimately, our aim is to obtain the maximum compensation possible so that

you and your family can move on with your life.

Our results for clients in emergency room error claims

The results we have achieved in emergency room error cases are a testament to our team's dedication to clients. For example, we are proud to have secured justice for a wide range of awards for people including \$2.8 million for a client who had a severely herniated disk and needed emergency intervention but suffered because surgery was not provided in a timely manner. This was one of the highest pay outs of its kind in the state of Illinois.
