HOSPITAL MALPRACTICE LAWYERS | ROMANUCCI & BLANDIN

Hospital malpractice occurs when mistakes are made by medical professionals that lead to serious injuries or death. Mistakes can be made by doctors, nurses, surgeons or anesthesiologists and in cases of hospital negligence, a medical malpractice or wrongful death lawsuit can be filed.

Your hospital malpractice error claim

With headquarters in Chicago, Romanucci & Blandin approaches a hospital malpractice action as a way to provide monetary compensation and hold a culpable medical institution financially accountable and responsible for the economic, physical and emotional damages that have occurred.

Our law firm has a team of attorneys and staff who have years of experience with hospital malpractice litigation. Our medical malpractice team includes partners who guide the process and share their deep knowledge of these types of lawsuits. Each client and each situation is different, and your claim is treated with great care and respect as the team investigates what happened and determines the best path to justice for you.

At Romanucci & Blandin, our hospital malpractice attorneys research the most up-to-date wrongful death laws and hire trained and experienced medical malpractice experts to work as expert witnesses and consultants on your cases. We will evaluate your injury, claim and research the relevant statute of limitations applicable to your case. We will review the EMR (electronic medical record) of your care and work with EMR experts to review your records. Whether it is to review medical bills, medical malpractice laws, standard of care and other medical negligence of hospitals, physicians and health care providers, we work to locate and utilize the best medical experts and expert witnesses across the country who are experienced in all the relevant state laws.

We know exactly what to do to litigate your hospital malpractice case. We will obtain all necessary medical records, interview witnesses, and prepare thoroughly and meticulously for your day in court. Ultimately, our aim is to obtain the maximum compensation possible so that you can move on with your life.

Our results for clients in hospital malpractice claims

The results we have achieved in hospital malpractice cases are a testament to our team's dedication to clients. For example, we are proud to have secured justice for a wide range of awards for people such as \$8 million for a girl who was the victim of medical malpractice when physicians performed unnecessary experimental treatments that led to significant injuries.
