## MEDICAL DEVICE FAILURE ATTORNEYS | ROMANUCCI & BLANDIN

There are many benefits that medical devices offer, including saving lives. However, there are numerous instances where medical devices contain a manufacturing or design defect or failure that carries critical or life-threatening outcomes, at times causing serious injury or even death. Romanucci & Blandin has the experienced and qualified medical malpractice and product liability attorneys you want to help you get the compensation you deserve for your injuries.

### Personal injury or wrongful death from medical devices lawyers

If you or a loved one experienced injuries or death from a medical device failure, you may be able to file for personal injury, wrongful death, medical negligence or product liability. There are many damages that you may be eligible to file for, including medical expenses, pain and suffering, lost wages and disfigurement. The medical malpractice and product liability attorneys at Romanucci & Blandin have experience handling these types of cases for our clients, and will help to maximize your compensation.

### Some of the types of medical devices that our attorneys litigate cases involving:

- da Vinci Robotic System
- DePuy Hip Replacement
- Stryker Artificial Hip Recall
- Transvaginal Mesh

Our attorneys offer a free evaluation of your injury claim. It is important to reach out as soon as possible to a product liability and medical malpractice attorney so they can do a comprehensive review of the facts of your case and relevant medical records and medical bills. We understand

the product liability laws and handle these claims.
