## HOLDING NEGLIGENT PARTIES ACCOUNTABLE: SEPSIS MALPRACTICE LAWYERS

Sepsis, also called septicemia, is a potentially life-threatening bacterial blood infection. Usually, the body is able to eliminate the bacteria in the blood with white blood cells, but if the white blood cells face a large number of bacteria, sepsis can occur.

### Your septic shock claim

With headquarters in Chicago, Romanucci & Blandin approaches a septic shock action as a way to provide monetary compensation and hold a culpable medical professional or institution financially accountable and responsible for the economic, physical and emotional damages that have occurred.

Our law firm has a team of attorneys and staff who have years of experience with sepsis and septic shock litigation. Our medical malpractice team includes partners who guide the process and share their deep knowledge of these types of lawsuits. Each client and each situation is different, and your claim is treated with great care and respect as the team investigates what happened and determines the best path to justice for you.

At Romanucci & Blandin, our septic shock attorneys research the most up-to-date wrongful death laws and hire trained and experienced septic shock experts and sepsis experts to work as expert witnesses and consultants on your cases. We will evaluate your injury, claim and research the relevant statute of limitations applicable to your case. Whether it is to review medical bills, medical malpractice laws, standard of care and other medical negligence of hospitals, physicians and health care providers, we work to locate and utilize the best medical experts and expert witnesses across the country who are experienced in all the relevant state laws.

We know exactly what to do to litigate your septic shock case. We will obtain all necessary medical records, interview witnesses, and prepare thoroughly and meticulously for your day in court. Ultimately, our aim is to obtain the maximum compensation possible so that you and your family can move on with your life.

## Our results for clients in septic shock claims

The results we have achieved in septic shock cases are a testament to our team's dedication to clients. Our team knows how the system works, how insurance companies and hospitals operate, and what judges, juries or mediators need to see to understand your claim.
