PREMISES LIABILITY AND STAIRWAY ACCIDENT ATTORNEYS | ROMANUCCI & BLANDIN

Stairway accidents can cause numerous injuries, including sprains, fractures, bruises, cuts, head injuries, neck injuries and back injuries. Romanucci & Blandin has premises liability lawyers who have vast experience helping clients who suffered injuries in a stairway accident that was caused by someone else's negligence. Property owners owe a duty of care, and we will help you fight to make those responsible held accountable.

There are a number of reasons that stairway accidents can happen, such as:

- Improper lighting
- Poorly designed or maintained steps
- Slippery surfaces
- Stairway obstructions
- Unsafe or missing handrails

If you or a loved one or family member suffered from a stairway accident, the owner of the property may be held liable for any injuries that occurred on their property. Our Chicago stairway accident attorneys have vast knowledge of the legal standards of maintaining indoor and outdoor stairways, as designated by the Chicago Building Code, and can help you with your stairway accident case.

There are complex legal issues that surround a premises liability case. If the property owner can prove that the plaintiff failed to protect themselves from injury or that the property owner did not have a reasonable amount of time to current the hazard, they may be able to avoid liability. Since there are various legal issues surrounding a premises liability case, it is important to contact our proficient stairway accident and premises liability attorneys at Romanucci & Blandin to help you with your case. We will provide a free consultation and will work to collect and review your medical records and bills and other important documentation necessary to evaluate

your case. We understand you may have suffered serious damages, including financial and emotional injuries, and we want to help as you navigate your options.
