RAILROAD AND TRAIN INJURY LAWYERS: ADVOCACY FOR RAILROAD AND TRAIN ACCIDENT VICTIMS

It's hard to imagine life in a major urban area without mass transit. But with its benefits come some drawbacks: accidents can occur that can cause moderate to severe injuries. Accidents like train derailments aren't as common as other vehicular accidents, but when they do occur, dozens or even hundreds of people can be injured and even die.

Your train accident claim

With headquarters in Chicago, Romanucci & Blandin approaches a train accident action as a way to provide monetary compensation and hold a culpable at-fault person or organization responsible for any physical and emotional damages that have occurred.

Our law firm has a team of attorneys and staff with years of experience with transportation litigation. Our legal team includes partners who guide the process and share their deep knowledge of these types of lawsuits. Each client and each situation is different, and your claim is treated with great care and respect as the team investigates what happened and determines the best path to justice for you.

At Romanucci & Blandin, our train accident attorneys research the most up-to-date transportation laws and hire trained and experienced medical experts to work as expert witnesses and consultants on your cases. We will evaluate your injury, any police report or official report, and research the relevant statute of limitations applicable to your case. Whether it is to review medical bills, transportation laws, equipment maintenance records or other information, we work to locate and utilize the best transportation experts and expert witnesses across the country who are experienced in all the relevant state laws.

We know exactly what to do to litigate your train accident case. We will prepare thoroughly and meticulously for your day in court. Ultimately, our aim is to obtain the maximum compensation possible so that you and your family can move on with your life.
