Frank A. Sommario

2021 Award of Excellence, Judges & Scholarship Night

Gibson's Italia, Chicago | November 18, 2021 | 6:00 pm CST

Event Sponsor: Justinian Society of Lawyers

Romanucci & Blandin Senior Partner, Frank A. Sommario will receive the coveted 2021 Award of Excellence from the Justinian Society of Lawyers at this year's 2021 Award of Excellence, Judges & Scholarship Night at Gibson's Italia on November 18, 2021.

Frank began his membership with the Justinian Society of Lawyers in 1997 as a first-year law student at DePaul University College of Law. His academic achievements in law school earned him several Justinian scholarships — cementing his desire to give back to this important organization that had provided so many opportunities for him.

Frank began serving on the Justinian Society Executive Committee in 2009, was elected Secretary in 2011 and rose up the ranks to President in 2016-2017. He continues to serve the Executive Committee as Comptroller. In addition, Frank holds the position of Chairman of the Justinian Society Endowment Fund since 2018, where he previously served as Treasurer from 2012-2017.

“As Italian Americans, it is imperative that we support our Justinians and other professional organizations,” Sommario says. “I am continuously proud to support the Justinian Society and its future successes and am honored to have been chosen for this award.”
