\$35,000,000 Settlement – Birth Injury

A \$35,000,000 resolution was reached after a three-week trial for birth injury to a girl, that led to her cerebral palsy. Founding Partner Stephan D. Blandin, Partner Michael E. Holden and Senior Attorney Daisy Ayllon represented the family of the child, arguing that pre-natal care and decisions made during a C-section delivery of the high-risk pregnancy led to a life-altering injury.
