Family calls for bodycam footage in Herrera shooting death.

Hillsdale Daily News | May 7, 2021

“The family wants and deserves to know the facts of what happened during that deadly shooting, and the best way to be transparent is to release the body camera footage immediately,” said Antonio M. Romanucci, Founding Partner, Romanucci & Blandin, LLC. “The family has asked officials to share the details of the deadly incident, including body camera footage, and we are troubled by their unwillingness to show the family and the public what transpired.”
