George Floyd: Witness felt powerless as he watched Floyd die under Derek Chauvin's knee.

ITV News | April 21, 2021

An eye witness who watched George Floyd die under former police officer Derek Chauvin's knee spoke about his feeling of powerlessness as he tried to intervene.

Donald Williams was filmed frantically telling police at the scene of the murder: "He's not responsive right now, bro. Well, look at him, he's not responsive right now."
