### Michigan Flood Victims May Have to Wait for Accountability.

U.S. News & World Report | May 17, 2021

LANSING, Mich (AP) — A lawsuit that accuses the state of Michigan of failing to regulate and enforce safety regulations on a dam that failed, causing an estimated \$200 million in damages and destroying 2,500 structures, may not be resolved soon, an attorney representing nearly 300 clients said Monday.
