## \$1.1 Million Settlement for Victim of Chicago Area Traffic Collision

August 25, 2021

Romanucci & Blandin, LLC announces a \$1.181 million settlement for injuries sustained by a female driver when her vehicle collided with the rear of a commercial vehicle that was unsafely stopped on a Chicago area expressway. As a result of the collision, the victim sustained severe injuries, including spinal cord injuries, requiring substantial medical treatment and long-term hospitalization.

The confidentiality terms of the agreement prohibit disclosure of the parties' names or any further information.

Plaintiffs were represented by Romanucci & Blandin Attorneys Michael Holden and Vincent Arrigo.

"The tragedy of this very serious traffic collision is that it was completely preventable and would have avoided many months of painful injuries and disruption to our client's life," said Attorney Michael Holden.
